HANDICAPS

GENERAL

1. Golf Australia is the governing body for handicapping and course rating in Australia. The purpose of the Australian Handicap & Course Rating Systems is to make the game of golf more enjoyable for golfers by providing a means of measuring a golfer's performance and progress and to enable golfers of differing abilities to compete on as equitable a basis as possible. Through these systems, each golfer establishes an Australian Handicap which is a numerical measurement of a player's potential (not actual) scoring ability.
2. The World Handicap System (WHS) is the official GA regulatory code governing women's handicapping in Australia and men's handicapping in Australia. Whilst it provides a single methodology for both women's handicapping and men's handicapping, it does not provide for single-gender handicaps. The WHS requires that women's handicaps determined under this System be determined in accordance with women's scores and standards, and that men's handicaps determined under this System be determined in accordance with men's scores and standards.
3. GA's principal objective in issuing handicaps is to provide all competitors in a nett competition with an equal chance of achieving success.
4. New handicaps are allocated on receipt of three (3) cards which must be dated and signed by the player and marker and endorsed 'For Handicap'. This will enable a player to obtain an Australian Handicap. New players holding an Australian Handicap from another club should notify their Handicapper.
5. The maximum Golf Australian Handicap is 54.0 (both male and female). At Cronulla Golf the maximum Playing handicaps are 45 for men and 45 for women. All players will play off their handicap that is recorded at this Club even if they know a previous score that has not been processed may affect their handicap. Previous handicaps known as Club or Domestic are no longer applicable; however, the Match Committee may nominate a player's handicap for use in certain events.
6. A player's exact Australian Handicap will be calculated from a rolling sample of the player's previous scores. As the number of scores in the player's handicap record increases (starting at 3 and then increasing to a maximum of 20), a percentage of these scores are used (up to a maximum of 8 lowest scores in 20) to calculate the player's exact handicap. Once a player's handicap record contains 20 scores, the next score they return will result in the oldest of the existing 20 scores being removed.

COMPETITION INFORMATION

Detailed information on the calculation of the GA and Daily Handicaps under the World Handicapping System is available on the Golf Australia website. www.golf.org.au/whs/

7. You have a responsibility to nominate only one Home Club. You should advise your other (i.e. Non Home) Golf Link club(s) of your home club Golf Link number. They will enter that number on your club record, this will allow all your scores to be linked to the one score history.
8. The Handicap Committee may report to the Board, details of a player's handicap with a view of reduction if it believes he or she has ability to score better than recent cards indicate. Likewise, members may make application to the Handicap Committee to have their handicap increased due to changed circumstances affecting their playing.
9. All eligible scores established in 18 hole Competition Rounds shall be used for handicap purposes when the player is accompanied throughout their round by a Marker. These include;
 - a) Scores made in Single Stroke, Stableford and Par competition rounds; or
 - b) Scores made in Four-Ball Stroke, Stableford, and Par Competition Rounds; or
 - c) Scores made in Team Stroke, Stableford and Par Competition Rounds where each player plays **ONLY** their own ball as it lies (except to account for 'preferred lies' or 'tee up').
10. When playing in a Four-Ball or Team event, a player must be on the card at least 9 times with a competition round of 42 or above for Stableford, plus 6 or over in Par, or 6 up or over in stroke, before the handicapping rules apply.
11. In Singles Match Play, the full difference of handicaps is used in conjunction with the Match Play Index (lower marker reverts to scratch).
12. It is the player's responsibility to check his or her handicap is correct. Failure to record correct handicap may lead to disqualification.
13. In the event of a tournament Play-off, the handicap shall be that which existed when the tie occurred.
14. Professional golfers who are members of the Club must play off the handicap allotted by the committee, whilst visiting professionals will play off scratch handicap.

MEN'S CLUB COMPETITIONS GRADES (Daily Handicaps)

A Grade Handicaps up to and including 13.

B Grade Handicaps 14 to 20.

C Grade Handicaps 21 to limit.

For Club Championship only

A Grade Handicaps up to and including 7.

A Reserve Grade Handicaps 8 to 13 inclusive.

B Grade Handicaps 14 to 20 inclusive.

C Grade Handicaps 21 to limit.

WOMEN'S CLUB COMPETITION GRADES (Divisions are determined by Daily Handicaps and are subject to change by the committee)

1st Div: 0 – 20

2nd Div: 21 – 28

3rd Div: 29 – 35

4th Div: 36 – 45

Foursomes in three divisions are: (Divisions are determined by Daily Handicaps and are subject to change by the committee)

1st Div: 0 – 20.5

2nd Div: 21 – 29.5

3rd Div: 30 – 45

Every competition card that a Member submits is used to vary his/her handicap using the Australian handicapping system. This is done automatically by the computer or manually by the Handicap Manager.

A record of your handicap may be accessed by registering and logging into www.golforg.com.au.

SCORES TO BE HANDICAPPED UNDER SECTION 10 OF THE GA HANDICAP SYSTEM

The GA Handicap System has been designed to be flexible enough to cater for the vast array of different club cultures, environments, and local experiences, throughout Australia. To this end, there are a number of scenarios and event types for which the handicap system enables a club to develop its own policy on whether or not a player should be handicapped.

Cronulla Golf Club has decided that the relevant GA recommendation around each of these items will apply for play that is under our jurisdiction. As a result,

COMPETITION INFORMATION

A score in any of the following categories will be handicapped (unless the round is deemed by the Match Committee to have been played in a manner that is materially out of character with the culture of Cronulla Golf Club, or unless the Match Committee has otherwise exempted the score from being handicapped)

- a) Conforming Social Scores of Members of Cronulla Golf Club when the round is played at any GolfLink affiliated course and which returns a score that is equal to or better than the player's handicap. (GA Handicap System, Section 10(i).)
- b) Good Four-Ball scores in accordance with the Handicap guidelines. (Section 10(v).)
- c) 9-hole scores (and any other scores made over 8-17 holes) returned in any competition from this club or any other affiliated GolfLink course. (Section 10(vi).)
- d) Scores returned in Aggregate Teams Events in accordance with the Handicap guidelines. (Section 10(xii).)
- e) Good scores returned in Pro-Am events played outside of competitions and which returns a score that is equal to or better than the player's handicap. (Section 10(xiii).)
- f) Good scores returned in Corporate/Trade Days that have been conducted by an entity that is not affiliated with GA and which returns a score that is equal to or better than the players handicap. (Section 10(xiv).)
- g) Scores returned in a Competition that has been declared Null and Void will not be used for handicapping purposes unless approved by the Match Committee. (Section 10(viii).)
- h) Scores returned in Novelty Events such as Bisque Par and Three-Ball Competitions will not be used for handicapping purposes. (Section 10(xi).)
- i) The score of a player who has played within a Competition Field but who hasn't entered the Competition will only be used for the purpose of obtaining their initial handicap. (Section 10(vii).)
- j) Good scores from a Competition that has as a playing condition that players are limited to a number of clubs that is less than 14 and which returns a score that is equal to or better than the player's handicap. (Section 10(iii).)

COMPETITION GOLF

The following courses and ratings are available for competition golf:

Gold -	Women 126 , Men 119
Green -	Women 133 , Men 122
Blue -	Women 136, Men 126
Black -	Women 139 , Men 131

The Match Committee will determine what courses are available from time to time for all competition golf events. (The Match Committee may seek advice from the Women's Committee)

COMPETITION BOOKINGS:

All Golfers entering CGC MUST report to the Pro Shop before entering the course for competition, social and practise golf. All golfers are to book in for time sheets for all forms of Competition, Social or practise golf via the Clubs electronic booking system.

MEN & WOMEN GOLF COMPETITIONS AND HOW THEY ARE PLAYED

General

All forms of Stroke Play are subject to the Rules governing Stroke Play (Rule 3.3). Special rules for Stableford and Par competitions are set out in R & A (Rule 21.1 & 21.3). R & A Rule 23 covers the special rules for fourball competitions. Foursomes may be Played under either Stroke Play rules or Match Play conditions and R & A Rule 22.

Some of the more popular types of play are listed below together with suggestions regarding conducting these events. It cannot be too strongly emphasised, however, that since these competitions are not covered by the Rules of Golf, the Committee must carefully lay down in advance and publish the conditions of play. The State Association will not, except in the most exceptional circumstances, give a decision on any query submitted when play is conducted otherwise than in accordance with the Rules.

Stroke (Medal)

The score at each hole is entered on the score card, totalled and the player's full handicap deducted. The player who completes the stipulated round in the fewest nett strokes is the winner. Usually a gross winner is also determined.

COMPETITION INFORMATION

Match Play

This traditional form of the game sees two individuals or two sides competing against each other with the number of holes won or lost deciding the match. The match is completed when one side is ahead after the stipulated number of holes or is more holes up than the number of holes remaining to be played.

The number of strokes awarded in this competition is the difference between the players' handicaps. Where there are more than 18 strokes difference between players' handicaps, the higher handicapped players will receive 2 or 3 strokes per hole where applicable. It is usual for the Committee to prescribe sudden-death continuation if a match is all square after the required holes. In this case, handicap strokes are used as in the original round.

In Four-Ball Match Play, the lowest marker reverts to scratch and gives strokes to the higher markers, e.g. A is on a 4 handicap, B on 8, C on 12 and D on 27. A receives no strokes, B gets 4 strokes, C gets 8 strokes and D gets 23 strokes, irrespective of who is A's partner.

Stableford

Stableford involves scoring points based on results at each hole. Using the index for each hole, players are able to make a mental allocation of their full handicap for each of the 18 holes. For example, a player on a handicap of 18 will add one shot to the Par value of each hole to determine their own Par for the hole. Thus a hole rated as a Par 4 becomes a Par 5 for the player. The points scoring method is then calculated by allocating two points for a Par, one point for one over, three points for one under, four points for two under, and so on. For example, a player receiving a stroke on a Par 4 hole scores 4 giving them a nett 3; for this the player receives 3 points. A player at a Par 3 hole scores a 4 but does not receive a stroke; for this the player would receive 1 point. Players who exceed their own Par by two strokes score no points for the hole and, since they cannot improve on that result, they should pick up their ball. At the end of the round all points scored are added up and the player having the highest number of points is the winner. When marking the score card, the number of strokes taken must always be shown for holes where points are scored. Thus, the card records both strokes and points.

Par

Players need to allocate full handicap strokes to each hole, as explained for Individual Stableford competition. Once players mentally determine their own Par for each hole, the Individual Par competition challenges them to beat their own Par. If players do exceed their Par, they score a '+' (plus) for the hole. If players

equal their own Par, they are said to have halved the hole which is scored with a '□'. If Par is not achieved, a '-' (minus) sign is recorded. At the end of the round the plus and minus signs are added and the nett result written in as so many 'up', 'down' or 'halved'. A player is allowed their full stroke handicap and the strokes are taken at holes as indicated on the card. Where the handicap is more than 18, two strokes will be allowed on the number of holes that the handicap exceeds 18. These strokes will be taken in the same order as followed for the first 18 holes unless the index goes beyond 18. Once again, when marking the score card, the number of strokes taken must always be shown for holes where a '□' or '+' is scored. Thus, the card records both strokes and plus, half or minus.

4BBB Stableford

Two players play as partners each taking strokes to each hole as explained for an Individual Stableford competition. Only the best Stableford score is recorded for each hole.

This event is played in exactly the same manner as a Four-Ball Par, except that the better ball of the Partnership will be credited with points rather than a plus, half or minus.

The team having the highest number of points is the winner. Again, when marking the score card, the number of strokes taken must always be shown for holes where points are scored. Thus, the card records both strokes and points

4BBB Par

Two players play as Partners each taking strokes at holes as in a Par competition. Only the best par score is recorded. Plus, half and minus signs are added at the end of the round and recorded as in an ordinary Par competition. In a Four-Ball handicap event care must be taken to mark the scores of each player in separate columns headed by the initials of the player. If the scores are mixed and it is impossible for the Committee to check the card the players will be disqualified.

2BBB Par/Stableford

Played exactly the same as 4BBB Par and 4BBB Stableford. This terminology is used when played in conjunction with a singles event.

Mixed Four-Ball Par or Stableford

These games are played as described previously with the man playing from his tees, and the lady playing from her tees.

COMPETITION INFORMATION

Foursomes

Two players play as partners and use one ball. The partners strike off alternately from the tee and thereafter strike the ball alternately during the play of each hole. Scoring is done as for a stroke round and the total is subject to a deduction of half the partners' aggregate handicaps. Note: If either player incurs a penalty stroke it does not alter the rotation of Play. In a Foursome Stroke Play competition which consists of more than one stipulated round, the order of play may be changed between rounds unless the Committee has laid down as a condition of play that the original order of play must be preserved throughout the competition.

Mixed Foursomes

Mixed foursomes are played in the same manner as foursomes except that the women use their own tees and observe their own local rules when it is their turn to play. The Committee should lay down as a condition of play whether the male or female is required to play from the first tee, and in competitions played under stroke conditions, and consisting of more than one stipulated round, whether this order is to be preserved.

Canadian Foursomes

This event is played as per a Foursomes event except that both players play tee shots at every hole and afterwards continue with whichever ball they nominate, with the partner playing the second stroke. Handicap allowance is $\frac{3}{8}$ of aggregate stroke handicap for stroke competitions.

American Foursomes

Both players play tee shots at each hole, and then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in foursomes with the owner of the ball selected playing the third stroke. Handicap allowance is $\frac{3}{8}$ of aggregate stroke handicap for stroke competitions. This event is sometimes called "Pinehurst Foursomes".

Medley Competition

Any combination of men and women. Full handicaps are used for scoring.

Ambrose Competition

Playing in handicap order from highest to lowest, each player plays a tee shot at each hole. The Captain selects the best ball and marks its position. Each player's drive must be used at least four times (Four person Ambrose) and seven times

(Two person Ambrose) in the round. Each player then places their ball within 30cm and plays in the same order. If the selected ball lies outside the close mown areas, or in the hazard each player has to drop within one club length not nearer the hole. When on the green the ball must be placed within 1 putter head and may be putted out of turn. Handicap 1/8 of team aggregate for 4 person Ambrose (if only 3 players 1/6) and 1/4 of aggregate for 2 person (Women's Events 1/8 Handicap 4 players, 1/6 Handicap 3 players.) Divisions are determined by Daily Handicaps.

Team of 2 Multiplier Stableford

Their Stableford scores are multiplied to give the result for the hole.

i.e. A has 2 pts, B has 3 pts = 6pts/A has 0 pts, B has 4 pts = 0 pts

Team of 3/4 Multiplier Stableford

Best 2 scores of team are multiplied together on each hole (if only one player has more than zero points on that hole, the team score on that hole is zero).

Team of 2 Aggregate Stableford/Par

Each person scores their own stableford/Par points on each hole, and all scores are added together to get a final stableford score for each hole.

Four Person Waltz Stableford

Team of three or four playing a Stableford competition.

Best score on the 1st hole.

The best 2 scores on the 2nd hole.

The best 3 scores on the 3rd hole,

Repeat this on holes 4 to 6 and 7 to 9.

Same rotation to be followed for the second nine holes of your round.

SUNDAY MIXED GOLF COMPETITIONS

Irish Team Stableford (Best 2 scores)

Team of 3 or 4 playing a Stableford competition.

Best 2 stableford points score per hole.

Irish Team Stableford (Best 3 scores)

Team of 3 or 4 playing a Stableford competition.

Best 3 stableford points score per hole .

COMPETITION INFORMATION

Irish Team Stableford (Best 4 scores)

Team of 4 playing a Stableford competition

Aggregate of all stableford points per hole.

Irish 4BBB Stableford

Stableford points scoring in teams of 3 or 4

Holes 1 – 6: Best Score

Holes 7 – 12: Best two scores

Holes 13 – 18: Best three scores per hole

Multiplier Stableford

Best 2 scores of team are multiplied together on each hole (if only one player has more than zero points on that hole, the team score on that hole is zero)

4 Ball Team Stableford

Stableford points scoring in groups of 4 - Best Stableford score per hole from the group

4 Person Waltz Stableford

Stableford points scoring in teams of 4 - Best score on 1st hole, best two scores on 2nd hole, best three scores on 3rd hole, then back to best score on 4th hole, best two scores on 5th hole and so on

4 Ball Team Par

Par scoring in groups of 4 - Best Par score from team per hole

Hawaiian Ambrose

All 4 players tee off. Each player must have a minimum of 3 tee shots. The Team Captain selects the best drive and the player whose ball was selected does not play the next shot. The remaining 3 players then proceed to play from that location. This process continues until you reach the green, where all 4 players putt until the ball is in the hole. The team records one score for the hole (basically Ambrose scoring with 1 score per hole per team)

Las Vegas Ambrose

Before start of play, assign each team member a number 1 to 4. Each team member tees off and then the 6-sided dice is tossed. If the dice reads 1,2,3 or 4, then the drive of the team member who matches that number must be used

on that hole. If the dice reads 5 or 6, the team can choose best the drive to use. The rest of the hole is then played in the normal manner, ie choose best shot

RECIPROCAL CLUBS

Persons residing within 40 kilometres of Cronulla Golf Club, who are members of the below Reciprocal Clubs, are not entitled to the playing privileges outlined in the agreements Cronulla Golf Club has with Reciprocal Clubs.

A member, visiting a Reciprocal Club, will be welcome to use the amenities of the Clubhouse and course provided.

Satisfactory introduction and handicap details have been obtained from Cronulla Golf Club and presented to that Club's Secretary.

The number of visiting periods does not exceed four in any one-year and the total duration of the visiting periods in any one year does not exceed four weeks, except by agreement with the General Committee of the particular Reciprocal Club.

A visitor is bound by the Rules and By-Laws of the Reciprocal Club.

Cronulla Golf Club welcomes visitors from reciprocal clubs but may restrict numbers during May, June, July and August.

MAJOR EVENTS

MAJOR EVENTS

Major Events listing for 2025 is a resume giving the dates of competitions. Competition format and conditions of play are detailed within the Fixture Book.

If a Major Event is postponed for more than one hour and the field cannot finish in normal playing conditions (daylight) then the event will be postponed and will be re-played at a time to be decided. For players who do complete the round their results will stand for an alternate competition as determined for the days event.

Eligibility for Major Events

No player, male or female, will be eligible to win any major handicap events as listed in the Fixture Book if he or she has not had three singles competition cards at Cronulla Golf Club in the 12 months period prior to the particular event. This condition will only apply to events controlled by the Match Committee.

Events played over 2 or more days

Please be aware of the scheduled dates of events played over 2 or more days before nominating to qualify. The scheduled dates will only change in extenuating circumstances.

Match Play Qualifying Draw conditions

The Match committee have implemented new conditions for how all future (Men's) match play draws are completed. Due to members continually withdrawing after the draw is complete the following policy is now in place.

Participant withdrawals will be accepted for up to 48 hours beyond the qualifying rounds. These members will be replaced with members wishing to qualify with the next best scores

The final draw will be released to members 48 hours after each qualifying round.

If members withdraw beyond this time the draw will stand and matches will be forfeited.

Members who nominate to qualify must make themselves available for subsequent rounds. Members who fail to play subsequent rounds, once qualified, will be brought before the Match Committee.

CONSISTENCY CUP

Scheduled for Medal rounds. Best 9 scores from 12 rounds.

GOLD MEDAL

Saturday 1st February 2025

(For January 2024 – December 2024 Medal winners)

FOURBALL KNOCKOUT

Qualifying Round Wednesday 5th February 2025

1st Round to be played on Wednesday 12th February 2025
